When do you wish to live in the Russian House? _____ fall _____ spring _____ all year

What courses in Russian language, literature, and/or culture have you taken at Sewanee or elsewhere?

Have you studied abroad in Russia, or do you plan to? When?

Почему вы хотите жить в Русском доме? Answer briefly in English and Russian, using the back of the page if necessary.

Except for the two single rooms occupied by the House Manager and Russian House Director, accommodations at the Russian House are double occupancy. If you would like to share a room with another student of Russian next year, please indicate his or her name here:

If you are selected to live in the Russian House, will you agree to speak Russian as much as possible with the House Director (our visiting student from Russia) and other residents of the house?

If you are selected to live in the Russian House, will you regularly participate in programs and events there?

Have you applied—or do you plan to apply—to live in any other themed/special interest housing on campus? If so, please indicate where the Russian House falls on your list of housing priorities.

If you wish to be considered for the House Manager position (a leadership opportunity coordinated by the Office of Residential Life), please explain your interest in the position on the other side of this page.

Please note that we will consider the following factors when reviewing applications: seniority, whether you have previously lived in the Russian House (we want to allow as many students as possible the opportunity to reside in the house at least once during their time at Sewanee), whether you are a Russian major/minor, and whether you are willing to live with another student of Russian.
