Part 2 (below) is to be completed by your healthcare provider.

**Part 2: To be completed by your healthcare provider (e.g., your treating physician, psychiatrist, licensed psychologist, and/or other licensed mental health professional)**

Having received treatment, the student named above is seeking to return from a medical withdrawal from the University of the South. Please offer your evaluation of the student's current medical status, focusing on the student's likely ability to succeed in a rigorous academic environment. It may be helpful for you to understand some about the College and its environment and resources. Sewanee is a residential, rural college with limited access to health care. Information about the scope of care available at the University Wellness Center can be found by navigating the Sewanee webpage, [www.sewanee.edu](http://www.sewanee.edu), and following the path > Student Life > University Wellness Center.

Did you provide treatment for the named student? Yes No

PLEASE FEEL FREE TO ADD ADDITIONAL PAGES AS NECESSARY.

How many treatment sessions did you provide for the student, relating to the reason for the medical withdrawal? Please provide dates, especially of the first and most recent sessions, and please indicate if treatment is ongoing.

Has the student been following (or has the student completed) treatment as prescribed?

Please provide a brief summary of the treatment that you provided, including specific treatment goals, interventions, and skill development.

Have you referred the student for continuing treatment? If yes, please outline the basic plan for continuing treatment and indicate the name and contact information of the individual or agency. Do you consider such continuing treatment *required* or *recommended*? That is, do you believe the student would be able to function appropriately without continued treatment?

Please offer details of the student's relapse prevention plan.

Do you consider that the student presently or in the reasonably foreseeable future may be a threat to his/her own life or the lives of others?

Do you think the student is capable of carrying a full academic load (4 classes)? If not, why not?

Is there any additional information you would like to provide that is helpful to the consideration of a medical withdrawal?
