Use of the Perimeter Trail, Secondary Trails and Fire Lanes

The University of the South’s trails and recreational amenities are primarily for the use of the faculty, staff, and students of the University of the South, and the University reserves the right to grant or deny permission to others who seek access to University property.

Users must leave natural, historical, and archaeological items in place. Collecting natural or archaeological objects, or removing, defacing, or destroying any plant, animal, or mineral is prohibited. Take nothing but pictures; leave nothing but footprints.

**Hiking**: Access to the trails is from Green’s View, the Memorial Cross, University Gates, Lake Cheston, Morgan’s Steep, Brakefield Road, and Downtown. The Perimeter Trail is marked with blue blazes while secondary trails are marked with white blazes. A double blaze indicates an intersection or sharp turn in the trail.

**Mountain Biking**: Mountain Biking is allowed on all trails and fire lanes except: the Perimeter trail in Shakerag Hollow, the Perimeter trail from Morgan’s Steep to the Memorial Cross, the Solomon’s Temple trail, and Bridal Veil Falls trail.

**Horseback Riding**: Horseback riding outside of the University equestrian program is by permit only. Please visit [www.domainmgt.sewanee.edu](http://www.domainmgt.sewanee.edu) for more permit information and list of approved trails.

**Motor Vehicles**: Motorized vehicles, including ATVs, are prohibited on all trails and fire lanes.

**Water**: Water taken from streams is not suitable for use unless boiled, purified, or treated with iodine tablets.

**Hunting is not allowed** except by personal invitation to University sanctioned events. Please visit [http://www.domainmgt.sewanee.edu/](http://www.domainmgt.sewanee.edu/) for more information.
